PROJECTS

Resume Genie

- Developed an AI-powered resume builder using React, Tailwind CSS, and Strapi. Leveraged AI to generate personalized content, making resume creation seamless and effortless.

BiteBlitz

- Built BiteBlitz, a full-stack food delivery app with user authentication, food selection, cart management, Stripe integration, and real-time order updates.

Brainwave

- Created Brain Wave, a modern React website with sleek UI/UX design, responsive bento box layout, and parallax effects for enhanced user engagement.
